SOLVING PEOPLE PROBLEMS

METRYX
GROUP
Metryx helps energy and Infrastructure organisations make better informed hiring and workforce decisions. We combine decades of sector experience with a modern, data-led approach across contract and project staffing, permanent recruitment and executive search. Our focus is simple: understand the challenge, understand the market, then deliver the right people with precision, not volume.
METRYX

# VIREON RECRUITMENT GROUP

Vireon is a specialist recruitment and search partner supporting the industries that power economies and drive global progress. With a global mindset and specialist delivery capability rooted in South Africa, we help organisations secure high-performing talent across the mining, oil and gas, renewable energy, and infrastructure and construction sectors worldwide.

VIREON
